SHAILENDRA EDUCATION SOCIETY'S ARTS, COMMERCE & SCIENCE COLLEGE

Shailendra Vidyalaya Marg, Shailendra Nagar, Dahisar (E), Mumbai – 400 068.

ABOUT SOCIETY:

Shailendra Education Society was established on 31st March, 1976. It is registered under the Society Registration Act and also under the Public Trust Act at Dahisar – an extreme suburb of Mumbai. This Society was formed by a group of 125 common citizens who were in government service. The Society believes in holistic development of the students to brace them to face the challenges of competitive world.

A Kindergarten class with 41 students in a small residential flat provided by one of the life members was the beginning of an inspiring intellectual journey.

During the span of 49 years of its journey, the Society has developed an educational complex covering from K.G. class to Secondary School in three mediums, viz. Marathi, Gujarati and English, a Junior College of Arts, Commerce & Science, and a Degree College of Arts, Commerce & Science with full fledged courses like B. Com, B.A., B. Com. (Banking & Insurance), B.M.S., BAF, B.Sc. (I.T.), M.Com (Advanced Accountancy) & M.Sc. (IT) which are affiliated to the University of Mumbai. The Society has a Ph.D. Research Centre under the Degree College in the subject of Business Economics and Commerce under Commerce Faculty. It gives an impetus to research for scholars in the region. The College also centre of Distance Education, University of Mumbai for PCP lectures. For developing different skills among students college started different Value Added courses.

The foundation stone of the educational complex was laid by an eminent educationist late Prof. Shri Ram Joshi, the then Vice – Chancellor of University of Mumbai. The Society has built up 48,000 sq. ft. educational complex with 41 well – lit and ventilated Classrooms, four Laboratories, Teacher Rooms, spacious and well – ventilated Library, four Air Conditioned Computer Laboratories, Assembly Hall, Multimedia Centre, a Rifle Shooting Range, a Gymnasium, Gymkhana, Canteen, Centre for Competitive Exams, a Public Library, a Butterfly Garden, Vermi compost pits and a big playground acquired from MHADA on lease for sports activities.

The Society has also started expanding its activities by purchasing a plot at Kaman in Vasai which is used for camping activities. The Society also has Hi-Tech library in Ashokvan, Dahisar (E), Mumbai. It has also launched an Advanced Computer Laboratory. The Society has a separate Computer Centre “SESCOM”, offering various courses affiliated to M.K.C.L.

ABOUT COLLEGE

The Degree College was started in September 1994 to cater to the long – felt need of the student population of Dahisar, after obtaining permission from the Government of Maharashtra and the University of Mumbai.

The College made a beginning with one division of First Year B.Com class for the academic year 1994 – 95. The Second year B.Com came into existence from June 1995 by way of natural growth and the T.Y.B.Com. class started from June 1996. The first year B.A. started in 1995-96. The division of First Year B.B.I was started in 2004-05 followed by B.M.S. in 2008-09 and B.Sc. (I.T.) in 2010-11. B.A.F. in 2021-22 M.Com (Advance Accountancy) & M.Sc (I.T.). We have now a full-fledged Degree College in the Commerce and the Arts Faculty. The Arts & Commerce faculties are on 100% grant basis and the College has acquired permanent affiliation status and recognition under 2(f) and 12 (B) of UGC. All the Professors in Arts & Commerce faculties are fully qualified and well experienced. Our result have always been encouraging and higher than the University percentage.

The college has full-fledged courses in B.B.I., B.M.S., B.Sc.(IT), B.Com (A&F), M.Com (Advanced Accountancy) MSC.(IT) affiliated to University of Mumbai. College has started Research Centre for Ph.D. in the subject at Business Economic & Business Policy & Administrative. Parents meeting will be held in July to appraise the parents regarding discipline, performance, rules and regulations, co-curricular and extra-curricular activities conducted by the college. It is essential that at least one of the parents attend the meeting and participate in the development of their ward and the institution.

TUTORIALS:

Tutorials for all classes are held to supplement lectures. As their purpose is to foster reference – reading and independent thinking, they are held in small batches. Attendance at tutorials and examinations is compulsory and the performance at these will be taken into account confirming the admission of student to the University / College Examination.

Note : New Education Policy has been introduced from academic year 2024 - 2025 . For details please visit Mumbai University Website www.mu.ac.in

SCHEME OF EXAMINATION :

The performance of the learners shall be evaluated into two components viz. by Internal Assessment with 25% marks in the first component and by conducting the Semester End Examinations with 75% marks as the second component. The allocation of marks for the Internal Assessment and Semester End Examinations are as shown below:

'The one who plants a tree, Plants a hope' Nature Club of Shailendra College was started, to enhance our understanding about the interaction between human beings and environment through various activities. To sensitize and mobilize student's participation for preservation and conservation of environment, Nature Club conducts various activities to conserve the treasures of natural resources that are around us.

The major objectives of the club are:

1. To inculcate love of the nature in the minds of college youth.
2. Awareness of Social and Environmental commitment.
3. To make students aware of the concept of ecological balance through environmental activities.

The most appreciated program that we proudly announce is the "Implementation of Vermicompost System" that provides rich organic fertilizer and encourages waste management. This project was started in the year 2008 in a simplex tank, as a solution to ever increasing solid waste problem. In the year 2011 with the help of UGC grant under the category 'Innovative Methods in Teaching', a work shed of 130 sqft with 6 composting pits of 3×7 sqft was made. Since then every year dry leaves in the campus and organic waste generated in the canteen were recycled into valuable compost. More than 1000 kg of vermicompost was harvested every year. The compost was used in gardens in the campus and municipal area outside the campus.

We have also set up a campus habitat for butterflies, "Butterfly Garden" since 2011 wherein host and nectar yielding plants are planted to attract our winged visitors. Butterflies are valuable indicators of ecological health and are essential pollinators that ensure the propagation of plant species.
